Breakout sessions:

Choose two of the three topics below. Two sessions must be attended to earn clock hours.

Reviewer CiHS Platform – Presenter: Sarah Maes – Covers additional information helpful to Reviewers and school staffers, which leads to a swift, strong registration process.

Frequently Asked Questions from Students/Parents – Presenter: Zane Morrison - A deep dive into the most asked questions our team receives from students and parents and how you as instructors and administrators can answer these questions.

Maximizing CiHS Course Success – Presenter Angelia Riviera, Running Start Advisor, and Melisa Corrales, CiHS Advisor. Academic Advising information to ensure a clear path for CiHS students.

Featured Speaker

Bridging from High School to University with Accommodations, presented by Wendy Holden, M.S., Director of CWU Disability Services. We will learn how ambiguity around services for students with disabilities can impact student participation in concurrent enrollment programs and explore the unique challenges faced by students with disabilities during the transition from high school to college.

Please fill out the survey on the back of this Agenda and return it to your Liaison or the check-in table. Thank you!
